

# DF300 DISPOSABLE RESPIRATORS

Engineered to promote easier breathing, the NIOSH approved DF300 Series Flatfold Disposable Respirators are made with a multilayered absorption media that repels moisture and features a smooth inner lining for added comfort.

## INDUSTRIES & APPLICATIONS

- Construction – respirable crystalline silica
- Fiberglass or Drywall Installation
- Cutting or Sanding Wood
- General Manufacturing

## FEATURES & BENEFITS

- Designed to fit most faces comfortably and accommodate the user's facial movements
- Multilayered absorption media with a smooth inner lining for added comfort
- Latex free, comfort stretch head straps are welded for a secure fit
- Concealed, adjustable nose clip and soft foam nose cushion help provide a custom secure seal
- Humidity and moisture resistance filter media that repels moisture for a longer lasting respirator
- NIOSH Approved N95 Particulate Respirator (TC-84A-84840)

## USE FOR

- Solid particulates & non-petroleum based liquid aerosols
- DO NOT Use for gases, vapors, oil-based mists, asbestos, paint spray, or sandblasting
